

Hi Beanstalks!

If you want to print out the Bean Pod* to look like a book:

1. Print out the pages (you might check the “reverse order” box when you print so the end product is a pile of spreads in the right order, with the cover on top, and the Calendar page right under it. Otherwise you’ll have to put the pages in order yourself.

2. Then take the cover page, place it face down on the table and put the stack (with the Calendar page being on top) on top of the faced-down cover page.

3. Staple in the corner, and fold in half like a booklet, and you’ll have the closest thing you can get to a booklet without using a saddle stitcher!

*If you want to save your color ink, you can print it in black and white.

MOUNT AUBURN CEMETERY WALKING TOUR

Mt Auburn Cemetery
580 Mount Auburn St.
Cambridge
Host: Jan Huffman
617-527-8849

Mount Auburn Cemetery has been designated a National Historic Landmark by the Department of the Interior, recognizing it as one of the country's most significant cultural landscapes. Founded in 1831, it was the first large-scale designed landscape open to the public in the United States. This inspired concept was copied widely throughout the United States, giving birth to the rural cemetery movement and the tradition of garden cemeteries. Their popularity led, in turn, to the establishment of America's public parks. Mount Auburn is the final resting place of thousands of distinguished people including Mary Baker Eddy, Isabella Stewart Gardner, Oliver Wendell Holmes, Julia Ward Howe, Henry Cabot Lodge, and Edwin Land. This

rare 1.5-mile walking tour, sponsored by the Friends of Mount Auburn, will focus on the stories of history, monuments, and the lives of those buried here.

You should pre-register for the tour. Visit the Events page of www.hubtall.org for a link to the tour description, map, and registration page. When you pre-register you can pay in advance or pay at the tour. **Come early to be sure of a convenient parking place.**

DIRECTIONS

From Route 128:

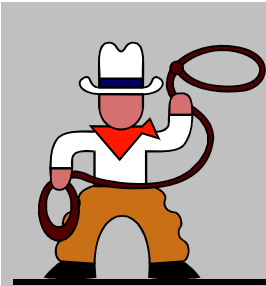

Take Route 2 East into Cambridge. Route 16 West turns right at Huron Avenue. Continue on Route 2 to the next traffic light at Brattle Street and turn right. Brattle Street will merge into Mount Auburn Street. Turn left immediately into the cemetery.

From Memorial Drive:

Follow Memorial Drive west. Follow Routes 2/3 when they turn away from the river. Turn left at the next traffic light, Mount Auburn Street. The cemetery entrance is about three blocks ahead on your left just past where Brattle Street merges in from the right.

From Watertown Square:

Follow Route 16 until it turns left off Mount Auburn Street. Continue straight ahead on Mount Auburn Street. The cemetery entrance is immediately on your right.

DIRECTIONS:

MAKE SURE YOU KNOW WHERE YOU ARE GOING!

The boat is the **MV Provincetown II** at Bay State Cruise Co., located at 200 Seaport Blvd. on the Commonwealth Pier. The Pier goes around the Boston side of the World Trade Center/Seaport Building.

If you park at Anthony's or one of the surrounding lots just walk past the Seaport Bar then take an immediate left before the World Trade Center onto the Commonwealth Pier. The boat is halfway down the pier.

Via the Subway:

Silver Line - Take the subway to South Station and transfer to the Silver Line (the Silver Line also travels through the Back Bay). The Silver Line departures are less than every five minutes to the World Trade Center stop, the location of our dock. The trip from South Station to World Trade Center takes only four minutes. Our ships depart from the West side of the World Trade Center (the side that faces the city skyline).

The Silver Line stop is less than 100 yards from our pier. To get to us from the station, please take the New Congress Street street-level exit. Proceed to the crosswalk to the left of the station's exit doors. Take a right across the crosswalk, one short block to our pier at the World Trade Center (the Seaport Hotel blocks one's view of our vessels, just across the street from the Silver Line Station).

By Car:

Our pier is conveniently located at the World Trade Center on Seaport Blvd, away from the road upheaval of the Big Dig.

Driving from the North - Take I-93 (central artery) South to exit 23, the Purchase Street and South Station exit. At the top of ramp, just outside of the tunnel exit, take a left onto Seaport Blvd. Our dock, World Trade Center, is .6 miles down the road on the left. We are on the side of the World Trade Center Pier that faces the city, the West side.

Driving from the West - Take the Mass Pike, I-90, East. Follow signs for "Logan Airport and South Boston". This will take you through a new tunnel to the South Boston waterfront, where we are located. Take exit 25, marked "South Boston". Bear left at exit onto East Service Road. This will take you one block to Seaport Boulevard. Once you are at the corner of Seaport Blvd, our ships are visible to the right, docked at the World Trade Center Pier.

Driving from the South - Take I 93 North to exit 20. Follow the signs to Logan Airport and South Boston. This will take you through a new tunnel to the South Boston waterfront, where we are located. Once in the tunnel, follow the signs to the South Boston exit. At the end of the South Boston exit ramp, head straight one block to Seaport Boulevard. Once you are at the corner of Seaport Blvd, our ships are visible to the right, docked at the World Trade Center Pier.

Parking - Adjacent Parking Lots \$9 - \$11 per car per day.

SUMMER SOLSTICE PICNIC

Goddard State Park
Warwick, RI
Host:Linda Kamphausen
cell (401) 474-1076

It's been a long winter, so let's get outside and play! Linda is hosting a picnic at Goddard Park in East Greenwich, Rhode Island on the Summer Solstice, June 21st -- the first day of summer and longest day of the year! We'll have a picnic with bocce playing, cards/board games at the picnic table and we'll be cooking stuff on the habachis there. Linda is providing the Saugies (Rhode Island hot dogs), and please feel free to bring your own grill items or a dish to share. BYOB, but any hooch would have to be under wraps because I'm sure it is not officially allowed at the park.

Please feel encouraged to bring your own yard games (horseshoes, volleyball, kickball)! There are other activities such as horseback riding and golf at this park, not to mention that it is on Narragansett Bay, and it has a beach of sorts (not RI's best in my opinion, but hey, it's a place to get a tan started if you want!) and/or you could put a boat or kayak in if you want to, using their boat launch. Check out the Rhode Island State Park website (scroll waaay down after clicking Goddard Memorial State Park):

<http://www.riparks.com/goddard.htm>

On your way home we can stop and see Waterfire up in Providence (see next page!)

DIRECTIONS

Take Interstate Rte. 95 South through Warwick and take Exit 9 (Rte. 4 South, which is a left exit). Immediately following, stay in right lane to take the East Greenwich/Division St. exit (exit 8). Turn right off the exit onto Division Street, follow straight, through 3 lights to 4th light at Main Street/ Post Road/ Rt. 1 South (Sunoco station on your right). Take a right and follow down the hill to the light, getting in left lane to turn left toward Goddard Park. Follow signs to Goddard Memorial State Park.

PS: Please feel free to bring your friends and family, by all means!

PROVIDENCE WATERFIRE

Host:Linda Kamphausen
Waterplace Park
Providence, RI
(401) 474-1076

Come enjoy one of the first Waterfires of the season! Linda and the other picnic-goers (see previous page) will meet you in the square outside Citron Restaurant next to the Basin and the display of tiles commemorating 9/11. Read on to see all that Waterfire has to offer!*

WaterFire is a fire sculpture created by Barnaby Evans and is presented on the three rivers at the heart of downtown Providence. The award winning fire sculpture installation on the three rivers

in downtown Providence, has been praised by Rhode Island residents and international visitors alike as a powerful work of art and a moving symbol of Providence's renaissance.

WaterFire centers on a series of 100 bonfires that blaze just above the surface of the three rivers that pass through the middle of downtown Providence. The string of fires illuminates nearly two-thirds of a mile of urban public spaces and parks, and residents and visitors gather to stroll along the river while listening to a memorable and eclectic selection of classical and world music that serves as a melodic accompaniment to the normal sounds of urban life. The fires are tended from sunset to past midnight by black-clad performers in boats who pass quietly before the flames. There are no admission charges to WaterFire.

WaterFire is an experience that surrounds viewers on all sides and impacts all five senses. The crackling flames, the fragrant scent of blazing cedar and pine, the flickering firelight on the arched bridges, the silhouettes of the firetenders floating by in their torch-lit vessels, and the extraordinary music from around the world engage all of the senses and evoke unique emotions from the many thousands who come to stroll along the river walks. WaterFire has captured the imagination of hundreds of thousands of people, transforming downtown Providence and enlivening the nights of the state's capital city.

***WATERFIRE IS WEATHER DEPENDENT.** Occasional showers or passing thunderstorms will usually not cancel the event. However, WaterFire is usually cancelled in the event (or prediction) of heavy

sustained rain. Please call the Information Line (401-272-3111) for weather updates. For general information or to learn of any additional dates, call the Information Line or visit the website at www.waterfire.org. Dates and offerings subject to change.

DIRECTIONS:

WaterFire takes place in downtown Providence. From Interstate 95 North or South, take exit 22 to downtown. The off-ramp brings you onto Memorial Boulevard which runs along the river. WaterFire is on your left after the first set of lights, and the installation extends down past the Crawford Street Bridge.

From Route 195, follow the signs for Route 95 north (towards Boston). Stay to the right, take exit 22, and follow the directions above.

Citron (www.citronri.com) is an excellent, trendy and popular restaurant, but may be jammed on Waterfire night, as most restaurants in the area will be. There are other options as well if you want to take your chances: Union Station Brewery, RiRa Irish Pub, Capitol Grill, and others all around the same square in which we are meeting. Here are the directions for Citron:

From Points North

Take 95 South to Exit 22ABC. Take Exit towards Downtown Providence. *Merge onto Memorial Blvd. Validated parking is available in the parking garage located to your right.

From Points East

Take Route 195 West to Route 95 North. Take Exit 22 ABC towards Downtown Providence. See above at *

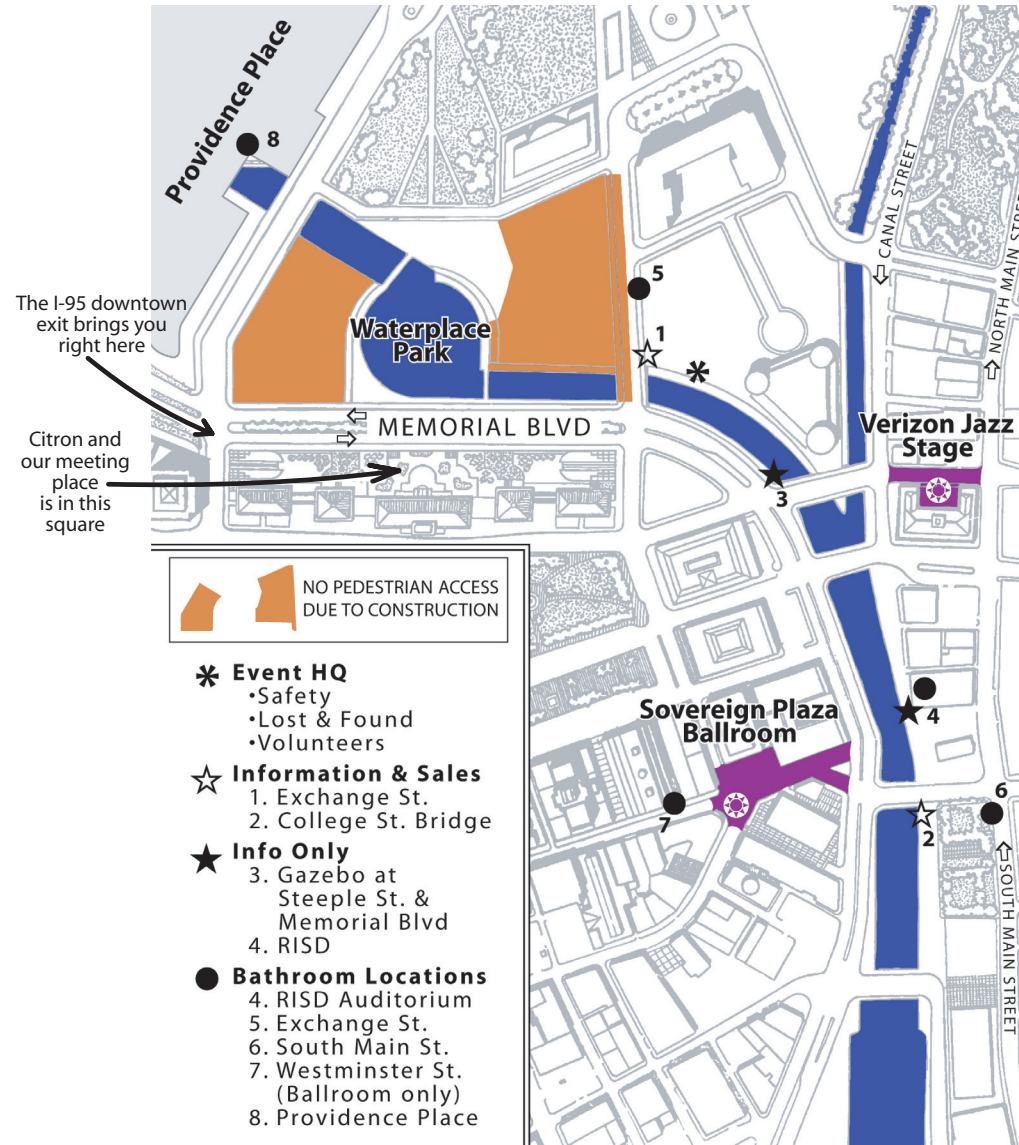

From Points West

Take Route 10 North / Route 6 East. Bear Right on the Downtown Providence Exit. Follow onto Memorial Blvd. See above at *

Another option for parking is to take 95's Exit 22C (to the Mall) and park in the Providence Place Mall rampage which is free for 3 hours and and you walk through our beautiful mall right out to the Waterplace Park Basin area. Wear comfortable shoes for walking cobblestones! You can use the following map to find us, and if you can't find us you can call Linda's cell at (401) 474-1076 so we can meet up.

Host: Robyn Laing,
RSVP [robyn_laing@

We'll meet at the Eliot T stop in Newton (Green Line, D train) and wander with our fellow Singles from The Post Club around a little known but charming section of Newton Upper Falls, one of the oldest of Newton's 13 villages - and explore Hemlock Gorge and Echo Bridge. Maybe we'll even see the famous pothole on the corner of Sullivan Avenue and Elliot Street that was caused by the spinning boulder for many many years at the base of a now defunct waterfall. We'll end up at

Newton Upper Falls' very own gastropub, the Biltmore. (Make sure to try its deep fried macaroni and cheese crouquets...highly recommended!)

Social Policies

Although it is suggested that a friendly disposition be shown at the various functions, persistent display of unwanted attention is inappropriate. If you should find yourself the recipient of unwanted, inappropriate attention or in any position that causes you unease, it is imperative that you notify any or all members of the board so that immediate and appropriate action may be taken. The Boston Beanstalks believes in a zero tolerance policy toward sexual harassment and will investigate said action and take appropriate action when deemed necessary.

When attending a BBTC house party, members and guests agree to cooperate with the host or hostess to ensure their safe return home in case the host or hostess believes that it is unsafe for them to drive. The other members of the club in attendance will make every effort to be supportive of the whatever stand the host or hostess may wish to take. The Boston Beanstalks Tall Club encourages the use of car pools and "designated drivers." Hosts and hostesses may specify that a party will be alcohol free. *The Bean Pod* will identify "dry" parties in the events listings section.

BBTC MAY SECRETARY'S REPORT

By Kay Helberg 5/5/08

Meeting called to order at 7:04 PM

Present: Joan Jacobs, Marie Austin, Kay Helberg, Craig Scherman, Jane Zanichkowsky, John Bewick, Susan Huffman, Elaine Senay, Jan Huffman, Fay Ostrowski

OFFICERS' REPORTS:

PRESIDENT: Joan complimented folks on a nice event for the Toast to our TCI Founder, Kae Sumner Einfeldt. Coupled with the toast was a brainstorming meeting to discuss potential social events for the upcoming year.

VICE PRESIDENT: Looking to do a dance in September, Marie exploring various venues. Discussed the possibility of raising dues to fund one dance annually. Will explore further next year. Received feedback on the Sitzenjibers dance and agreed it would be worth it to try to attend another of their dances.

SECRETARY: No report printed in the BeanPod as Kay was absent and Joan took notes in her absence. Kay will ensure that both the April and May minutes are published in the next Bean Pod.

TREASURER: Robyn not present, sent report. Robyn informed Joan that due to increased job demands she will not be able to continue as treasurer for the next term.

MEMBERSHIP: Alan not present. It was confirmed that the website has been updated to forward membership info to Alan.

SOCIAL DIRECTOR: Jane discussed some of the great ideas from the brainstorming session including: walking tour of Plymouth, Adams National Historic Park, 4th of July fireworks in Newton (following 1st Friday at the Marriott), kayaking and a field day in Rhode Island, bike rides, Waterfire etc... Need to confirm a date with Arthur for the Awards Party in June. Discussed the great new folks who have been showing up at recent events.

EDITOR: Linda not present. Bean Pod continues to get rave reviews. There have been some errors of email addresses etc. on the inside cover. Kay will inform Linda of the changes that need to be made.

There are reportedly 11 members who are unable to obtain the Bean Pod electronically. John volunteered to contact those members to assess the situation in order to develop a resolution.

HISTORIAN: Craig reported the good news that Paul has found the missing Bean Pods – so there will be no need to “recreate history”!!

WEBMASTER: Jan reports the website has been updated with the changes discussed at the last business meeting.

SCHOLARSHIP: We received word that this year's BBTC Robert Austin Memorial Scholarship recipient (and subsequent nominee for TCI scholarship) has won one of the TCI scholarships! Arrangements are being made to make a presentation at her graduation. Kathy will talk to Wini about trying to get some publicity.

WEEKEND:

The BBTC weekend at the Nordic Lodge in NH will be in October on either the weekend of Oct. 17th or the 24th – date to be determined once the dinner train ride for the Saturday evening is confirmed. The location has an excellent set up for after hours. We will not have a dance of our own, but will go dancing after the dinner train. Motion was passed to authorize payment of an additional \$1500 for payments to the train and Lodge.

ELECTIONS:

Susan needs to confirm candidates for the elected offices so that the ballots can be mailed. We also discussed the need to have some different categories this year for the more entertaining club awards.

Meeting adjourned at 8:30 PM

BBTC TREASURER'S REPORT

by Robyn Laing, Treasurer

Total Bank Balance

As at 03/31/2008: \$5,684.93

General Account / Cash Flow situation

Current balance is \$1,184.93. This balance is after the following deficits / advance expenses have been financed: Royalty Account: \$100.00 (Deposit for Miss Tall Boston 2008 @ TCI Convention 2008)

Note that we have several renewals and one new member dues totaling \$420.00 to be deposited early April (just missed the March cut-off)

Royalty Account

Current balance is \$0. ***Since we will not have a Pageant in 2008, it would appear that the above mentioned registration/reservation is redundant and should be cancelled.*** Or "rolled over" to some one else who would like to get the benefit of the early-bird package discount...

Dance Account

Current balance is \$500. These funds are reserved for advance deposits for future dances.

Scholarship Fund

Current balance is \$980.00. Our fund-raising goal for 2007/2008 (\$500) has been met – if we raise another \$20 we have the option of awarding 2 scholarships this year OR rolling the additional funds into 2009 for the 2009 scholarship.

It has been agreed that we roll the additional \$500 into 2009 and concentrate our efforts on restoring membership (rather than charitable cause fund-raising).

Anniversary Dance 2008

Current balance is zero. The event incurred an overall deficit of \$928.21 (after the last expenses were reimbursed in March). This deficit/subsidization was funded from the General Account, via the proceeds from the 2007 Weekend.

We need to seriously consider what level/scope of event we will host in January 2009, particularly with respect to realistic attendance levels, since we will most likely have to subsidize the 2009 event if we cannot achieve attendance levels of 75-80 people at the dance.

Based on our experience this year, it is clear that "price" / price reductions to the levels we had in 2008 make ZERO difference to attendance levels!

Weekend 2008

\$700 of advance deposit funds have been transferred to the Weekend 2008 account.

Reserve Account

Current balance is \$1500.00.

No advance deposits are being financed out of reserves at this time.

Marfan Fund

Current balance is \$0.00.

Dues paid ahead

Current balance is \$0.

TCI Dues

Current balance is \$120.00.

TCI Dues for all PAID-UP members as at 12/31/2007 were paid in March (even though I never received any correspondence from TCI until a "letter of final demand" @ the end of March, via Wini.).

We paid dues on 67 PAID-UP members in total – there were several "members" that were in default in December but later renewed in January/February.

We need to list our PERMANENT PO Box address as our official address with TCI so that correspondence doesn't get lost / sent to the wrong BBTC contact person.

NOTE: In 2007 we paid dues on 84 people:

***Membership has declined by 20% in total in the last year.
We need to focus 80% of our efforts on reversing this trend
ASAP!!!***

CALL FOR VOLUNTEERS!

Greetings,

Approximately 20 years ago one of our best friends was involved with Tall Clubs International and he often invited my husband and myself to participate in some of the tall club activities as his guest. At least one of the events I recall was a fundraiser for the National Marfan Foundation. As a matter of fact, I have a cookbook on my shelf that the proceeds benefited TCI. The Tall Club was where I first heard Marfan syndrome mentioned but I never really gave it a thought until 1996 when a doctor was looking at my very tall 6 year old daughter and asked if I had ever heard of the Marfan syndrome....

It turns out that both of my daughters and my husband have it. Our lives have been profoundly affected by the Marfan syndrome.

July 10-13 2008 The National Marfan Foundation is hosting its 24th Annual Conference at Brigham and Women's Hospital and the Westin Hotel at Copley Square. We need volunteers! I am sure the MA chapter of the NMF has probably contacted you about this, but just in case, I thought I'd ask. It would be great if we could have some volunteers, even if only for a couple of hours here and there. If you or someone you know is able to volunteer, please let us know. Personally, I am trying to recruit folks who can help me greet people as they register. Other jobs are available, too.
